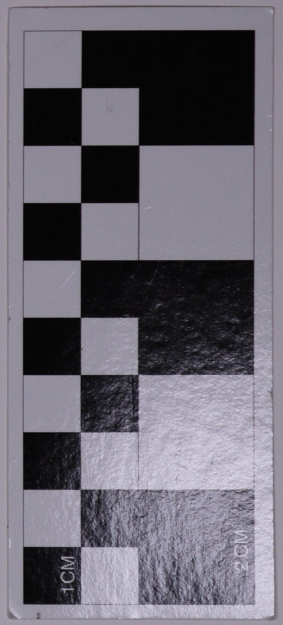
Dear Charles - Gene & I have followed your career in the Future and we wish to add plaudits to your latest undertaking - a great idea & one I'm sure will be successful -

We are still living in West Covina - Gene retired but keeping his hand in with a few clients & taxes - I'm in my 12th yr teaching - in Covina Valley Unified School District - have gifted students

Our family has increased with 4 grandchildren - all our three are married - so we have accomplished some of the goals & hopes -



I'm sure Ruth is still the beautiful wife and mother— Please give her our best wishes— She undoubtedly has been a marvelous support for you —

Here's to walking for you "sitting" structure! —

My best

Elsbeth Lindgren
